

EAST COVENTRY TOWNSHIP
HISTORICAL COMMISSION
October 20, 2004 Workshop Meeting Minutes

Attendance: Scott Bowie (Chairman), Sharon Cossaboon (Vicechairman), Denise Bowie (Secretary), Members: Mary Ann Keen, Anne Keen, Phyllis Snyder

The workshop was opened at 7:00 pm.

The meeting was held to begin work on the Historical Resources Identification Project for Chester County. The chairman reviewed the mapping process and documentation requirements. The various tax parcel maps were assigned to commission members. A common identification key was established to identify the structures use (i.e.- house, barn, garage, etc.). Per the direction of the Chester County Northern Federation, sponsors of the project, all structures and historical resources over 50 years old are to be identified/located on the provided (tax) parcel maps. The project status will be reviewed at the next scheduled Historical Commission meeting.
